

DETERMINING RESPONSIBLE PERSON POLICY

Mandatory – Quality Area 4

To view the full version of this policy (including attachments); please speak to the staff at your early learning service.

Uniting Victoria and Tasmania Limited is the Approved Provider of children's services known in these policies as Uniting Early Learning.

Overarching Policy Statement:

The Keeping Children Safe Policy of the Uniting Church in Australia Synod of Victoria and Tasmania (refer to Sources) is the overarching whole of church policy to be implemented by individuals and entities involved with or connected to the Uniting Church. All children who are involved in any of the Church's activities, events or programs have a right to feel and be safe. The Church is committed to provide safe environments where children are cared for, respected, nurtured and sustained.

Policy statement:

Uniting Early Learning is committed to:

- meeting its duty of care (refer to *Definitions*) obligations under the law;
- ensuring staffing arrangements contribute to the health, safety, well-being, learning and development of all children at the service;
- meeting legislative requirements for a Responsible Person to be on the service premises at all times.

Purpose:

This policy provides guidelines to assist in determining the Responsible Person at Uniting Services.

Summary of Procedures related to this Policy:

An Approved Provider must not operate a service unless there is a Nominated Supervisor appointed for that service to take on the role of Responsible Person. The Nominated Supervisor does not have to be in attendance at the service at all times, but in their absence, a Certified Supervisor is to be placed in charge, ensuring there is always someone on the service premises who has been assessed as fit and proper (refer to *Definitions*). Written consent must be provided to accept the role of Nominated Supervisor or Certified Supervisor.

Rosters must be developed in accordance with the availability of Responsible Persons, hours of operations and the attendance patterns of children. The name and position of the Responsible Person in charge of the service must be displayed and be easily visible from the main entrance of the service.

Scope:

This policy applies to the Approved Provider, Nominated Supervisor, Certified Supervisor, educators, staff, students on placement, volunteers and parents at the service.

Each Founding Agency Policy, Procedure, Practice Manual or Form continues to have effect on and after the Date of Establishment as Uniting to the extent that it is not inconsistent with a Uniting Level 1 & 2 Policy and until such time as Uniting replaces it.

The responsibilities of each party listed in the previous paragraph are noted at Attachment 1.

Background and legislation:

Under the *Education and Care Services National Law Act 2010*, it is an offence to operate an approved centre-based education and care service unless a Responsible Person is present.

Legislation requires that a Responsible Person is physically in attendance at all times the service is educating and caring for children. The Responsible Person is the person in day to day charge at the service and can be either:

- the Approved Provider (or the person in management or control of the service),
- the Nominated Supervisor of the service, or
- a Certified Supervisor who has been placed in day-to-day charge of the service.

For more information regarding these terms, refer to *Definitions*.

The Regulatory Authority (Department of Education and Training) will issue a service supervisor certificate (refer to *Definitions*) for each approved education and care service and the service can decide who will be the Certified Supervisor/s at the service. To be covered by the service supervisor certificate a person needs to be:

- responsible for the day-to-day management of the service; or
- exercising supervisory and leadership responsibilities for part of the service.

People who hold an individual supervisor certificate can also be placed in day-to-day charge of the service. It is important to note that a Certified Supervisor placed in day-to-day charge of a service **does not** have the same responsibilities under the National Law as the Nominated Supervisor.

The staff record must include the name of the Responsible Person each time children are being educated and cared for by the service (Regulation 150).

Attachment 2 contains a list of the legislation and sources relevant to this policy, including Acts and Regulations.

Evaluation:

In order to assess whether the values and purposes of the policy have been achieved, the Approved Provider will:

- regularly seek feedback from everyone affected by the policy regarding its effectiveness;
- monitor the implementation, compliance, complaints and incidents in relation to this policy;
- keep the policy up to date with current legislation, research, policy and best practice;
- revise the policy and procedures as part of the service's policy review cycle, or as required;
- notify parents at least 14 days before making any changes to this policy or its procedures.

Definitions:

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. National Law, National Regulations, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Approved Provider: An individual or organisation that has completed an application and been approved by the Regulatory Authority as fit and proper (in accordance with Sections 12, 13 and 14 of the National Law) to operate one or more education and care services. Where the applicant is an organisation, each person with management and control of that organisation must complete a separate application form. (Note: Under the Education and Care Services National Law Act 2010, Section 5, Definitions: “person with management or control, in relation to an education and care service, means – (b) if the provider of the service is an eligible association, each member of the executive committee of the association who has the responsibility, alone or with others, for managing the delivery of the education and care service”.)

Approved service: An education and care service for which a service approval exists. A request for service approval must be made in writing to the Regulatory Authority and include prescribed information including details of the Nominated Supervisor and their written consent to be nominated as such.

Certified Supervisor: An educator who has been nominated by the Approved Provider or the Nominated Supervisor of a service (in accordance with the National Regulations), and consents in writing to being placed in day-to-day charge of the education and care service. A Certified Supervisor can be any person engaged to be responsible for the day-to-day management of the service, or with supervisory and leadership responsibilities at the service. Any person placed in day-to-day charge of the service must be assessed as a fit-and-proper person (refer to Definitions) and have suitable skills, qualifications and experience as determined by the service. Individual supervisor certificates are also still valid.

A Certified Supervisor placed in day-to-day charge of a service does not have the same responsibilities under the National Law as the Nominated Supervisor.

Duty of care: A common law concept that refers to the responsibilities of organisations to provide people with an adequate level of protection against harm and all reasonable foreseeable risk of injury.

Fit and proper: In determining whether an applicant is fit and proper, the Regulatory Authority must take into account the applicant’s history of involvement in education and care services, their compliance with current and prior law, criminal history record check and any bankruptcy or insolvency issues. The Regulatory Authority may reassess fitness and propriety at any time. Applicants are required to complete the Declaration of Fitness and Propriety form on the ACECQA website and have this approved by the Regulatory Authority. This form must be completed by an individual provider applicant or in the case of an entity provider applicant, each person with management or control of a service. The form is available at: <http://acecqa.gov.au/application-forms/provider-approvals/>

(Note: Under the Education and Care Services National Law Act 2010, Section 5, Definitions: “person with management or control, in relation to an education and care service, means – (b) if the provider of the service is an eligible association, each member of the executive committee of the association who has the responsibility, alone or with others, for managing the delivery of the education and care service”).

Each Founding Agency Policy, Procedure, Practice Manual or Form continues to have effect on and after the Date of Establishment as Uniting to the extent that it is not inconsistent with a Uniting Level 1 & 2 Policy and until such time as Uniting replaces it.

Nominated Supervisor: A person who has been nominated by the Approved Provider of the service under Part 3 of the Act and who has consented to that nomination in writing can be the Nominated Supervisor. All services must have a Nominated Supervisor with responsibility for the service in accordance with the National Regulations. The Approved Provider must take reasonable steps to ensure the Nominated Supervisor is a fit and proper person (refer to Definitions), with suitable skills, qualifications and experience. The Regulatory Authority must be notified if the Nominated Supervisor for the service changes or is no longer employed at the service.

Supervisor Certificate: A supervisor certificate is provided to each centre-based service by the Regulatory Authority. The Approved Provider can nominate a person or persons to be the Certified Supervisor (refer to Definitions) at the service without requiring Departmental approval or paying a fee. Individual supervisor certificates are still valid, however most individuals no longer need to apply.

Responsible Person: The Approved Provider (if that person is an individual, and in any other case the person with management or control of the service operated by the Approved Provider) or a Nominated Supervisor or Certified Supervisor who has been placed in day-to-day charge of the service in accordance with the National Regulations.
